GE ClevaCare Shower Arm for Hospitals & Aged Care Facilities

As Seen on ABC's 'The New Inventors'

- GE's ClevaCare shower arm reduces physical strain on carers, and facilitates easier and faster wash routines.
- ClevaCare unique retractable arm reduces risk of contamination, and eliminates breakage of hand shower pieces.
- Provides a more dignified and enjoyable experience for the patient.
- Provides substantial water savings and meets OHS requirements.
- Winner of the 2004 WA Water Industry Awards for Plumbing Products
- Suits new and existing applications.
