President
Mr. Eddie Denman
Dear Eddie

I wish to convey my gratitude and sincere appreciation of the honor bestowed upon myself, by you and your committee of the IPIQ, at the recent AGM, held on November 14 2014.

To be recognized by your peers and to be given a Fellow Member status of the IPIQ is certainly gratifying and humbling.

The IPIQ has demonstrated and maintained the status of recognition within the Queensland plumbing industry, and has continued to promote the cause of regulatory values for the benefit of a healthy community.

My involvement with such an organization, as the IPIQ, has been fulfilling and enjoyable and I will continue to promote the cause where ever possible in my time of retirement.

I will be completing my role as Plumbing Inspector for the Southern Downs Regional Council as of Friday, January 30, 2015. At this stage, I have been advised that my position will be filled on a full time basis from the Stanthorpe office, which I am happy with, and will ensure that the new inspector should become a member of the IPIQ.

In the mean time you and your colleagues have not seen the last of me, as I fully intend to be in attendance on a casual basis while traveling around on the Seniors Golf circuit.

May I wish all of the IPIQ members, throughout Queensland, a safe and Happy Christmas to all your family and friends, and may the year 2015, be what you want it to be.

Sincerely Yours

Max Hunter
Very Senior Plumbing Inspector
Southern Downs Regional Council / Stanthorpe Shire Council
